CRAFT TALK

Dom Addonizio, the editor of the newsletter, gave the craft talk today. He talked about himself.

TODAY'S PROGRAM

Hesham Elnagar was our guest speaker today. Hesham, who was born and raised in southern Nevada, has just returned from a year as an Ambassadorial Scholar of Goodwill in New Zealand. He lived in Christchurch where he studied for a Master of Arts at the University of Christchurch.

While abroad, Hesham had the opportunity to travel around the country as well as Fiji and the Cook Islands. He visited 38 Rotary Clubs during his year in New Zealand.. His presentation today was a distillation of that year in New Zealand; recounting the experiences and the people he met.

This young man was an excellent speaker, and we are sure that he was an excellent ambassador for our area.

VISITOR

Our visitor today was Nathan Daniel Horn, the son of our newest Rotarian , Kelly Overpeck. Hopefully, we have a future Rotarian in the making.
